

2021 Brenda's Vineyard Cabernet Sauvignon, 95 points

The most ambitious wine in the Baldacci lineup is a barrel selection from the family's property that abuts the Silverado Trail. Made of 100% cabernet sauvignon and aged in 75% new oak, it offers power with polish and is built for further aging. Beautiful black cherries and black currants with hints of tobacco, graphite and black olives. Full-bodied and firm in texture. Best from 2028.

2014 Brenda's Vineyard Cabernet Sauvignon, 94 points

At age 10, this rich and full-bodied wine is full of life, bursting with blue and black fruit, cocoa and just a hint of complexity from time in the bottle. Plenty of fine-grained tannins bolster the texture along with good acidity for freshness. Great to drink soon or hold for another 10 years.

2014 Ruppert Coombsville Cabernet Sauvignon, 92 points

Big and velvety, this full-bodied wine offers cocoa, beef jus and blueberry flavors, showing some mature notes of cedar, tobacco, dried earth and leather. Drink now.

2014 Calistoga Cabernet Sauvignon, 91 points

At a good stage of maturity but still balanced and lively, this full-bodied wine shows some nice bottle bouquet, flowers and potpourri along with resolved tannins and good, deep black fruit. Drink or hold.
